

The Great Spots in Muroto

By 2nd grade, 2022.

Muroto Misaki Light house

I recommend Muroto Misaki Lighthouse.

Muroto Misaki Lighthouse is located on cape Muroto.

There are only 5 in Japan. Light reach distance is the best in Japan. It's symbol of Muroto Misaki.

It helps sailors to come home safely.

They have Toudai Matsuri on November. It was chosen as Muroto national park.

It's a natural seashore park

Please look at the lighthouse.

Ako tree

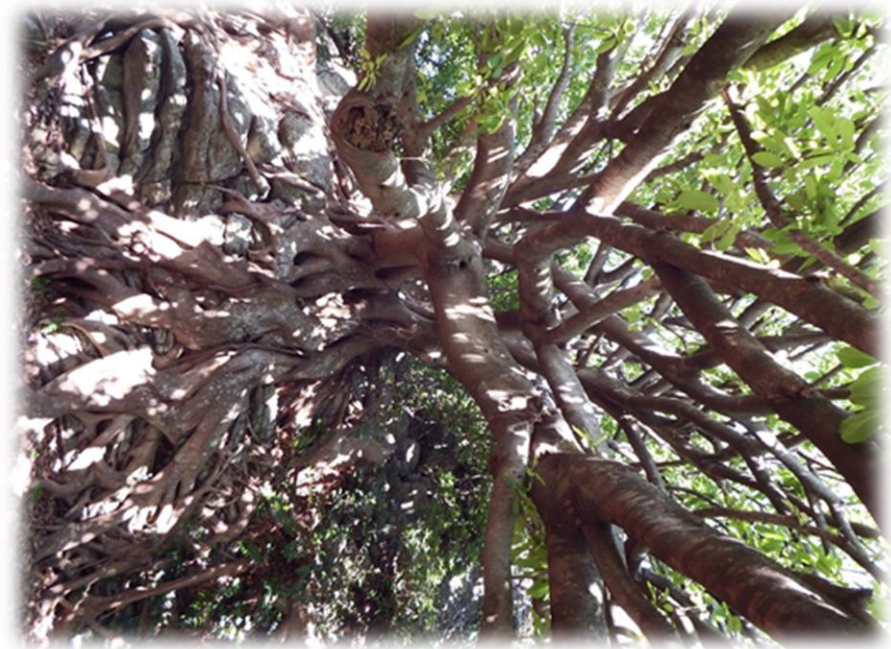

I recommend Ako tree.

It`s cape Muroto.

It looks just like a castle in the sky Laputa.

It`s root looks like a river.

You can get power.

Myoujou-raieiji temple

I recommend Myoujou-raieiji temple.

Standing Buddha build in 1984.

It is the biggest statue in Japan.

It named the temple Myoujou-raieiji temple.

Kukai trained himself at cape Muroto “Muroto Misaki”.

You can see a lot of statue in Japan.

Please enjoy the size!!

Lover's Sanctuary

I recommend lover's sanctuary.

There are three places in Muroto city

The first is cape Muroto observatory.

The second is Takaoka-enchi observatory.

The third is Mikuriya cave / Shinmei cave.

You can see beautiful view.

It was selected as a romantic spot suitable for a proposal.

Please have a date there.

Kiragawa's townscape

I recommend Kiragawa's townscape. Kiragawa's house has two features.

First, Mizukiri-gawara. It is protect Sirakabe from the rain.

Second, Isiguro. It is protect house from the strong wind.

Enjoy your life.

Closed School Aquarium

I recommend Closed School Aquarium.

You can see many sea animals in the school pool.

You can get sea animal stuffed toy for one thousand.

Good luck.

Daruma sun light and sunset

Daruma sun light seen in east of the corner.

Daruma sunset seen in west of the corner.

They are very fantastical.

I want you to come to see it.
